

This is to confirm the company

Henry Lamotte Oils GmbH

D – 28197 Bremen

that the products certified as organic by an EU approved certification body are in conformity with the NATRUE requirements for

Organic Raw materials for the use in cosmetics

This confirmation, issued by EcoControl, an accredited NATRUE certification body, is only valid in addition to a legal, up to date documentary evidence or certificate according to the EC regulation 848/2018 or standards of certification bodies according to EC regulation 1235/2008, all standards of the IFOAM family of standards as well as analogous certificates with reference to the before mentioned standards.

This approval entitles to the use of the EcoControl™ label, it serves as an internal quality certification between the producer and his customers. This approval is NOT a certification or documentary evidence according to the EC regulation 834/2007

Validity: 2025-03-31
